Altrusa International of Delta, CO Inc. is an international service organization serving Delta County in Colorado. As one of its primary goals, Altrusa International states on its website (www.altrusa.org) that first and foremost we are a community based, grass roots organization that seeks to solve the problems in our backyards.

As leaders in service and considering the primary focus of Altrusa is literacy, Altrusa International of Delta, CO Inc. offers grants up to \$500 to individuals seeking to improve their skills and employability through this Professional Development Mini-Grant process.

In order to receive such a grant the following must be completed and submitted:

- Completed application form
- Verification of course provider and expense
- The applicant must be a Delta County resident

Whenever possible checks will be made out to the institution, entity or employer rather than the individual applying for the mini-grant.

Decisions for funding grants are made by the Scholarship Committee. Successful candidates will be informed of their award as soon as possible. Because Altrusa is a volunteer service organization, applicants should not expect immediate turn around time on applications. This Mini-Grant funding is available year round based on funding.
